Featuring:

Jen Murray

Assistant Director, Outreach and Recruitment
Fulbright Scholar Program

The Fulbright U.S. Scholar Program provides opportunities for U.S. citizens to teach, conduct research, or pursue a professional project abroad. Attend this virtual event to learn about available awards, the application process, and how a Fulbright experience can enrich scholarship through international collaboration.

Allison Casaly - Office of Global Affairs
allison.casaly@uconn.edu

The Fulbright U.S. Scholar Program is the United States government's flagship international educational exchange program sponsored by the U.S. Department of State with funding provided by the U.S. Government and administered by the Institute of International Education.

Learn more about funded opportunities to pursue teaching and/or research in over 135 countries.
